

# Harvest.

# Declare.

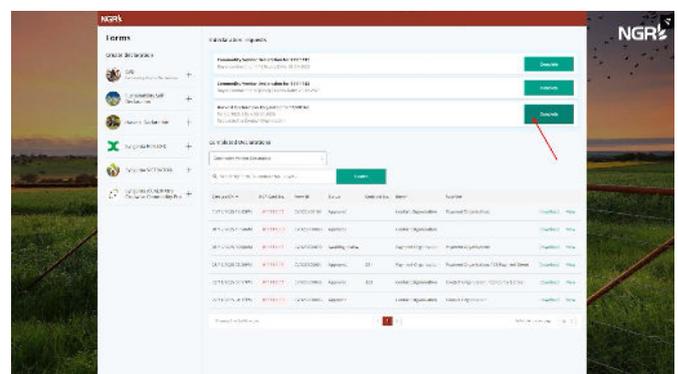

# Done.

## Accessing the new HD process

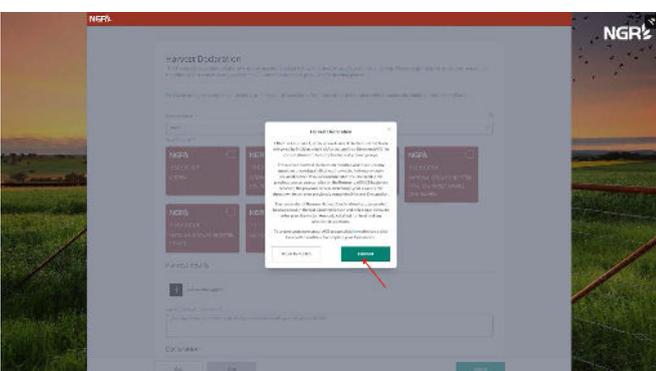

1. Go to [www.ngr.com.au](http://www.ngr.com.au)
2. Login into myNGR

3. Go to eDOCS

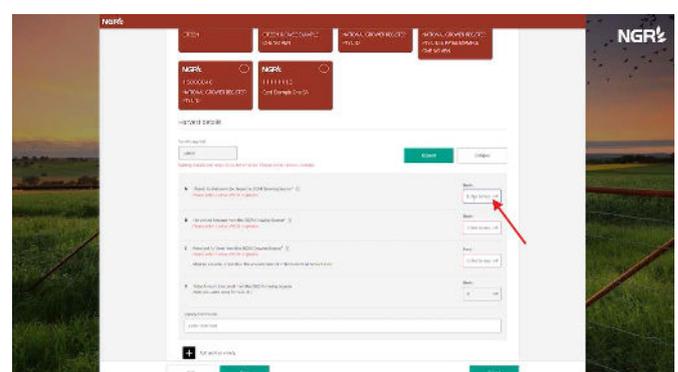

4. Select "Harvest Declaration", then "Complete Harvest Declaration"

5. Read the pop up. Then, click "Proceed"
6. If you have multiple NGR cards, choose the correct one

7. Now, complete the form for each variety. Fill in the requested varieties and add any varieties you planted in 2025
8. In section A, enter unsold grain from the 2024 season still held on farm or off farm

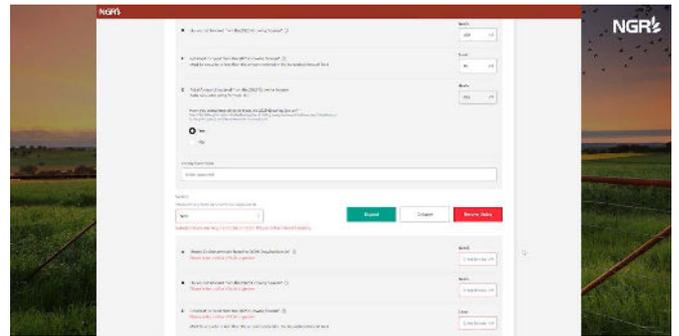

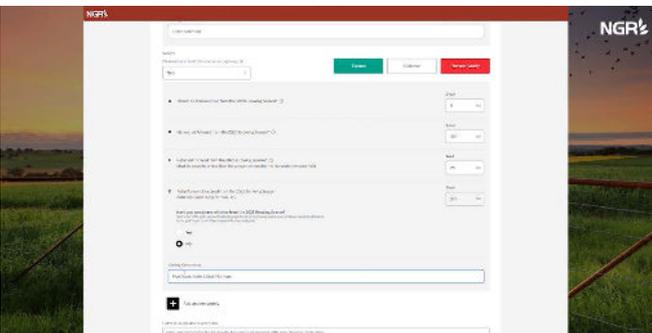

# Harvest.

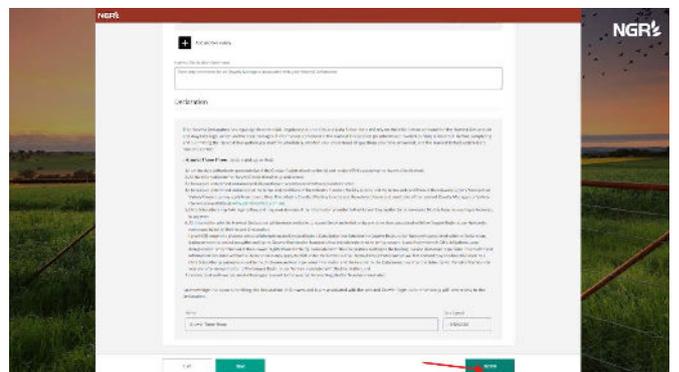

# Declare.

# Done.

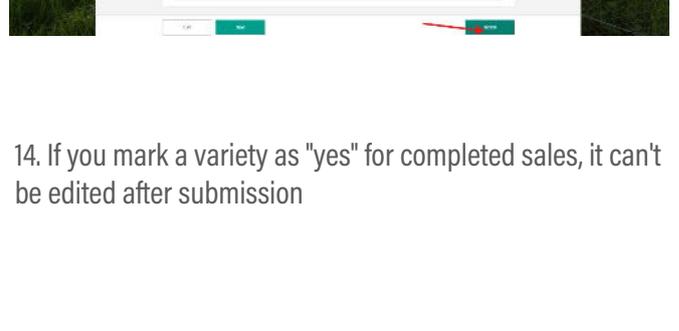

9. In section B, enter the total harvested amount for the 2025 season
10. In section C, enter seed retained for future planting
11. Section D will auto calculate. Click "Yes" on "No" to whether you've completed all sales for the 2025 season

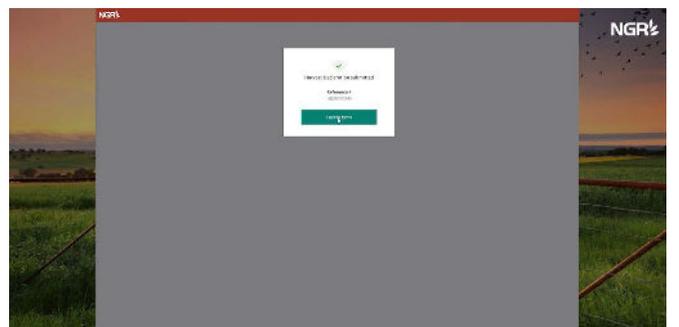

12. Add any notes in variety comments and in harvest declaration comments

13. When you're ready, click submit and confirm the warning

14. If you mark a variety as "yes" for completed sales, it can't be edited after submission

15. You'll then see confirmation that your 2025 Harvest Declaration is submitted
