Harvest Declaration submission now simpler, faster.

Done.

Record as you go this harvest.

The 2026-27 Harvest Declaration process is opening even earlier this year, on 1 December 2026.

Still simpler and quick, be ready to submit your Declaration by using the simple Harvest Record Table below and capture results as you go.

Remember, if you produce grain, you need to submit a Harvest Declaration, regardless of how you sell.

Variety Name	Grain unsold from 2025 season (mt)	Grain harvested from 2026 season (mt)	Retained for seed from 2026 season (mt)
Variety ABC	*100*	*1000*	*25*
